Ex. 6 Personal Privacy (PP)

Ms

Ex. 6 Personal Privacy (PP)

Your daughter requested that I mail you copies of this EPA Underground Injection Control Program draft permit for injection wells proposed for in-situ uranium recovery at the Dewey-Burdock Site located in the southern Black Hills region near Edgemont, South Dakota. Also enclosed is a Fact Sheet that explains the basis for the permit requirements.

The EPA is requesting comments on these documents through June 19.

If you would like to provide comments to the EPA on these documents please mail them to me at:

Valois Shea
EPA Region 8
Mail Code: 8WP-SUI
1595 Wynkoop Street
Denver, CO 80202-1129

Sincerely,
